

## Hardwood Maintenance Program

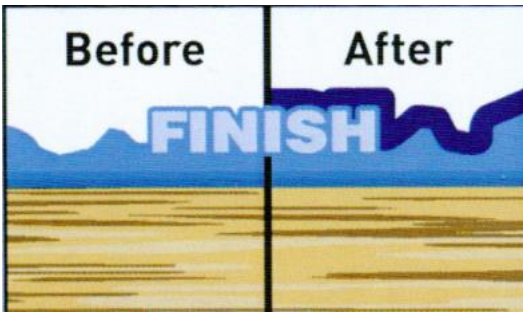

You have options! With Fike Bros Carpet One Floor & Home's Hardwood Maintenance Program you can have your hardwood floors deep cleaned, lightly recoated, or totally refinished with our dust free system; all which adds years to your existing hardwood floors.

### Intensive Cleaning

- Removes dirt, grease, built-up residue, and contaminants
- Protects your floor's finish by eliminating scratch causing contaminants which keeps your floors from looking dull and worn out
- Cleans hardwood floors quickly and efficiently, allowing you to maintain your daily operations
- Costs only 40 cents a square foot

### Light Recoating

- Removes dirt, grease, built-up residue, and contaminants while adding a new top coat
- Rejuvenates your floors with a 7% urethane top coat, which is available in either satin or gloss finish
- Quick – in less than 12 hours you will be able to use your floor
- Revives your current floor by adding another layer of protection, and restores your floor to the uniform sheen it once had
- Costs only \$1.00 a square foot

### Total Dust Free Refinish

- Removes dirt, grease, built-up residue, and contaminants while providing a durable protective coating with our dust free system
- Quick – in less than 24 hours you will be able to use your floor.
- Reduces surface scratches using a 30% urethane finish which is available in a flat, satin, semi-gloss, or gloss.
- Dust free – allowing you minimal disruption
- Costs only \$1.50 a square foot
